Pub Date :2012-07 Publisher: Shandong Literature and Art Publishing House Description My writing is based on the experimental needs of the different periods of the curriculum reform school for the purpose of the expression. it is not the first academic works. more is similar to the solution or action research record of our team. 22 high class is a pragmatist approach Guide; I hit 0 to the traditional classroom curriculum available to basic education Reading; efficient the nine classroom teaching paradigm general practice of the current school curriculum surging and the efficient classroom theory and practice of my new pedagogy is based on many years of thinking about the practice after the integration of of efficient classroom education system summary and comprehensive outlook. Curriculum reform. obviously only change classes. not just rewrite the teaching relationship. but writing new people this education I have always thought that the support the new pedagogy. Fact. the four basic concepts. namely new teachers . new class. new school. new students. and the basis of the concept of the new teachers how to look at the relationship between four new? If education is a task. then teaching is a means. the classroom is the carrier. the teachers of course. is the responsibility of concrete to complete this task. therefore. encourage. train teachers beyond the key in the key. depends on the intensity of the ultimate success or failure of the education of new teachers ethnic group. course. self- beyond the need to not only courage. but also a test of many relevant departments work. but teachers need to have a new pedagogy lead is an objective fact. and thus this book. I would...
