Without a hint of exaggeration, says Bill Hybels, the ability to discern divine direction has saved me from a life of sure boredom and self-destruction. God's well-timed words have redirected my path, rescued me from temptation and re-energized me during some of my deepest moments of despair.

In *The Power of a Whisper*, vision is cast for what life can look like when God's followers choose to hear from heaven as they navigate life on earth. Whispers that arbitrate key decisions, nudges that rescue from dark nights of the soul, promptings that spur on growth, urgings that come by way of another person, inspiration that opens once-glazed-over eyes to the terrible plight people face in this world through firsthand accounts spanning fifty-seven years of life, more than thirty of which have been spent in the trenches of ministry, Hybels promotes passion in Christ-followers' hearts for being wide open to hearing from God, and for getting gutsier about doing exactly what he says to do.
