In this best-selling new edition, the chapters map exactly to the objectives for the new A+ exams (220-301, 220-302) - released in November 2003 - helping readers quickly and easily assess their mastery of the material. In addition, it features test-taking strategies, time-saving tips, more than 750 practice questions, and two hours of video from Scott Mueller's "Upgrading & Repairing PCs Video Trainer". The book also includes the popular Cram Sheet, a tear card that highlights the essential information covered on the exam and is designed for that "last-second read" before taking the exam. To ensure our material is the most complete, up-to-date, technically accurate, and well-organized material on the market, the book goes through a stringent review process by industry experts. 962 pp. Englisch.
