Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The American Congress: A History of National Legislation and Political Events, 1774-1895 In this book I have endeavored to give, in a concise and popular form, a clear, interesting, and valuable account of the legislative and political affairs of the American people from the colonial period to the present time - to describe faithfully the great historic measures, the leading statesmen, and the notable occurrences which have, one after the other, engaged the attention of the nation during the years of its development. The first chapter is somewhat like a prologue, and serves to inform the reader in a rapid manner of the English settlement of the country, and of the momentous events which led to the meeting of the First Continental Congress. Thereafter, the history goes on in consecutive style to narrate the movement for independence, the doings of the Revolution, the making of the Constitution, the establishment of the Constitutional Government, and all the important legislative proceedings from the First Congress of the United States to the close of the Fifty-third Congress. The origin and growth of parties, the memorable actions of Presidents, and innumerable other matters pertaining to the broad and diversified field of American politics are also described and discussed. The work is the result of patient, long-continued study of the best historical authorities, of liberal thought, of kindly disposition, and I believe it to be accurate in its statements and just in dealing with men and measures. Interwoven in the chapters are copious extracts from famous speeches and debates, all gathered from the official reports and presumably correct in their phraseology. About the Publisher Forgotten Books publishes hundreds of thousands...
