HANDBOOK OF PSYCHOTHERAPIES WITH CHILDREN AND FAMILIES

Book Condition: New. Publisher/Verlag: Springer, Berlin | The aim of this book on psychotherapies with children and families is to present a comprehensive overview of the current array of intervention approaches in the child mental health field. There is a focus on the integration of theory, research, and practice throughout the book. The book proceeds from the more global presentations of basic theoretical approaches to applications of these approaches with specific problems and populations. It then presents more integrated...

Reviews

It is one of the best publications. Sure, it is playful, continuing to an interesting and amazing literature. You will not really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you question me).
