Madeline knows better than anyone what it means to live a lie in the spotlight. She's determined to help Krist without ever letting him find out what it costs her-or about her girlhood crush on him. But after a smoking hot back alley encounter with him leaves her breathless, she can't deny she wants the snarling bad-boy rocker. In a world of glitter and diamonds where the kisses are fake but the climaxes are real, their facades start to crack. And the publicity storm may shatter them both.
