Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. In The Saddle is the second of the Blue and Gray-On Land. In the first volume a New Hampshire family was transplanted to the southern part of one of the Border States just before the breaking out of the Great Rebellion, now happily an event of the somewhat distant past. An attempt is made in that book to describe the condition of the region in the progress of the story; and the material for it was diligently looked up in the records of those stormy times, in those of official character in the archives of the State in which the events transpired, as well as in The Record of the Rebellion, Congressional Reports, and the multitude of histories, narratives, biographies, and miscellaneous works on the shelves of public and private libraries. The writer believes his material statements are correct, and that the pictures he has given of the disorderly condition of the State of Kentucky, especially in the southern portion, are not overdrawn.
