In 1995 Mother Mary said that the most dire predictions had been delayed up to 10 years . now it is 2005, and we are all seeing the Eath Changes return. This book contains a series of talks as given by Mary, the Mother of Jesus, to a woman in Texas from 1987 to 1991, which are as relevant today as when they were first written. At Fatima, Lourdes, and more recently, Medjugorie, Mother Mary has spoken through miraculous apparitions. Now she has come with a message for All People of the World. Mother Mary predicts specific earth changes that will disrupt every individual on the planet. She urges all people, regardless of culture or beliefs, to open their minds and hearts to God. Mother Mary explains how to live more fully conscious of our presence and purpose here on earth, and how to prepare ourselves for re-entry into the spirit world after physical death. Mary s eloquent discussions on love, energy, truth and prayer-and a special message to families-reveal a most compassionate and universal Mother. This book has great impact. Marianne Williamson Also available on audio CD.
