*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

Excerpt from Astrophel and Other Poems Astrophel. The flowers of the sun that is sunken Hang heavy of heart as of head; The bees that have eaten and drunken The soul of their sweetness are fled; But a sunflower of song, on whose honey My spirit has fed as a bee, Makes sunnier than morning was sunny The twilight for me. The letters and lines on the pages That sundered mine eyes and the flowers Wax faint as the shadows of ages That sunder their season and ours; As the ghosts of the centuries that sever A season of colourless time From the days whose remembrance is ever, As they were, sublime. The season that bred and that cherished The soul that I commune with yet, About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
