*It is great and fantastic. I actually have read and so I am certain that I am going to go through once again yet again in the future. I realized this ebook from my dad and I encouraged this book to find out.*

Sherman Arnowitz has managed to take this fairly complex subject and turn it into a step by step guide for investors interested in learning about this largely unknown investment opportunity. The book provides specific details about what it takes to start investing in non-performing mortgages; what kinds of loans to buy; and how to best manage those loans.
