

## Jubilee Manor (Hardback)

By Bethany Hagen

Dial Books, United States, 2015. Hardback. Book Condition: New. 218 x 152 mm. Language: English . Brand New Book. The thrilling conclusion to Landry Park is full of love, betrayal, and murder--perfect for fans of Divergent, The Selection, and Pride and Prejudice In Landry Park, Madeline turned her back on her elite family, friends, and estate to help the Rootless. Now, in Jubilee Manor, she struggles to bring the Gentry and the Rootless together. But when Gentry heirs Madeline's old friends are murdered, even she begins to think a Rootless is behind it, putting her at odds with the boy she loves and the very people she is trying to lead. If she can't figure out who is killing her friends and bring them to justice, a violent war will erupt and even more will die and Madeline's name, her estate, and all the bonds she's forged won't make any difference. This conclusion to Landry Park, which VOYA dubbed *Gone with the Wind* meets *The Hunger Games*, is a richly satisfying, addictive read.

### Reviews

*This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Natalie Abbott**

*This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.*
