By Sandy Burk

McDonald & Woodward Publishing Company, US. Paperback. Book Condition: new. BRAND NEW, Let the River Run Silver Again!: How One School Helped Return the American Shad to the Potomac River, and How You Too Can Help Protect and Restore Our Living Waters, Sandy Burk, For ages 9-12. This is an environmental conservation success story for students, teachers, parents, and others who mentor them. It is a source of information and insight for those who want to learn about and benefit from the success of others as well as those who are interested in developing environmental restoration programs in their own watershed. The full-color format presents engaging, action-packed photographs along with maps, graphs, and original art that extends the information presented in multiple directions and dimensions. The greater part of the book follows students from one elementary school in Maryland as they take part, over a period of nine years, in a major regional conservation initiative to restore populations of an important fish, the American shad, to the Chesapeake Bay watershed and to allow the shad to breach numerous dams while migrating to many of their former spawning areas. Numerous private organisations and local, state, and federal agencies contributed to the...
