

Music and Its Appreciation: Or the Foundations of True Listening (Classic Reprint) (Paperback)

By Stewart MacPherson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Music and Its Appreciation: Or the Foundations of True Listening See deep enough, and you see musically. - Carlyle. The present volume is primarily intended for the amateur; it is an attempt to shew the music-lover how much is lost to him if he is content to regard music as a more or less agreeable sensation, et praeterea nihil. It says little, probably, which the professional student of music has not heard many times before - or with which he has not come into contact in some way or another during the period of his studentship. The author has, however, often felt that there is a vast mass of real musical intelligence existing outside the ranks of specialized music-students which only needs a stimulus in the right direction for it to become a most valuable and powerful factor in the musical life of the community. The art of music above all things needs more cultivated and discriminating listeners, listeners who really hear what the composer has written. Curious as it may seem, this power is...
