Among the Fans: From the Ashes to the Arrows, a Year of Watching the Watchers

By Patrick Collins

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Among the Fans: From the Ashes to the Arrows, a Year of Watching the Watchers, Patrick Collins, SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR AWARD After nearly half a century in the world's press boxes, Patrick Collins did a remarkable thing. He took his eye off the ball, stepped away from his colleagues, and joined the throng: the people who pay the money. For a year, he relished sharing the experiences of the varied crowds at sporting events great and small: England's always hopeful, always frustrated, football supporters; the panama-hatted brigade at county cricket; the sodden, delirious golf-lovers at the Ryder Cup; and the hey-look-at-me darts fans. And he penetrates strange, semi-private subcultures like point-to-point and speedway. The result is original, wonderfully readable and very funny.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who stante that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
