It s not easy these days to make ends meet. You work your backside off, but if you can make the rent at the end of the month it s a miracle. What happened to your dreams of living the high life? Designer bags and shoes, long vacations in exotic locations, expensive lunches and beautiful dinners. What happened to the dream of never having to worry about money? Have you given up on it all? Has conforming to the socially acceptable rules of relationships and careers left you resigned to never, ever making it? Why you should become a gold digger No, I didn t say why you should become a prostitute. There s a hell of a difference. But if you re out there working hard every single day, and you still can t close up that salary gap, there is a way you can earn yourself a seriously enviable lifestyle on the side. And if you re open, honest, and take care to search out the right people, you can even do it without hurting a soul. Don t listen to the voices of disapproval, with their stereotypical disgust and dismay. Keep an open mind, and you might just recognize the untapped benefits that are out there waiting for you. Anyone can do it! Clear the image of trashy, slutty ho s from your mind. Replace it with one of a hard-working, respectable woman, or man, who knows exactly what he or she wants and works hard to get it. Anyone can become a gold digger, all you need is determination, ambition, passion and ferocity. Visualise what you want your life...
