MECHANISMS OF DRUG INTERACTIONS

Book Condition: New. Publisher/Verlag: Springer, Berlin | With contributions by numerous experts | Over the years a number of excellent books have classified and detailed drug drug interactions into their respective categories, e.g. interactions at plasma protein binding sites; those altering intestinal absorption or bioavailability; those involving hepatic metabolising enzymes; those involving competition or antagonism for receptor sites, and drug interactions modifying excretory mechanisms. Such books have presented extensive tables of interactions and their management. Although of considerable value to...
