Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Are you having trouble understanding a client or a colleague because you only know English? Have you attended a Spanish class, but for some reason you can't recall what you have learned? Do you want to converse in Spanish, so you can communicate better with people who speak the language? Being bilingual these days is an important job qualification, especially for the medical, education, and social service industries. It's truly a huge advantage for someone who already possesses the skill, and that's why you should start learning for your own benefit. You are not alone in your struggle to beat language barrier. But to become a fluent speaker, you will need more than just a phrase book to help you comprehend and use the Spanish language. Julian Guzman's *Espanol Uno: Start Speaking Spanish Quickly and Easily for Home, School, Work, Travel and Recreation* has what you need to achieve the following: Identify correct pronunciation of Spanish characters and words Know the difference between masculine and feminine nouns Be able to conjugate regular and irregular verbs Start a simple conversation with a native Spanish speaker Show politeness through expressions of courtesy Understand and use Spanish slang for informal discourses Appreciate the Spanish and Hispanic cultures Study and recall Spanish vocabulary the easy and fun way Acquiring a new language doesn't happen instantly. Fortunately, the book also has learning techniques that make memorization straightforward and entertaining. If you enjoy a game of Memory and Charades, then you're going to love remembering Spanish words with them! Find out all there is to know about how you can study Spanish without draining yourself from reading too...
