A gorgeous collection of poems exploring a spectrum of topics, this volume is penned by Appalachian poet Judy Sizemore, a beloved arts activist, environmentalist and cancer survivor. One review called this work delicate, wrenching, exhilarating and dangerous. (More info: ASYMMETRY is a collection of poems about real life, about things that really matter. These are poems of healing and honesty and rawness and simple beauty, focusing on the little moments that anyone can relate to, no matter their circumstances. I defy any reader to not be moved by this beautiful collection. This one's going on my favorites shelf. -- SILAS HOUSE Here are poems - honest and large of spirit - about forests, creeks, starlight, dogs, breast cancer, family and friends. They are also poems about wonder and, most of all, about love. -- ANNE SHELBY Sizemore's poems are centering in the deepest sense because they articulate a human place in the world, a life lived in conscious relation to trees and lakes, mountains and stars, a life of knowing whose child you are. There is...
